Europaid call for proposal
“New thematic programme cooperation in the area of migration and asylum”
Area : Eastern route of trafficking

Our organization : Animus Association Foundation, Sofia, Bulgaria

- **Working title of our project** (draft title)
Cooperation between third countries and EU member states on the problem of combating human trafficking in Eastern Europe
- **Field of activity of the project**
Development cooperation
- **Donor to which you are planning to apply.**
Europaid

- **Brief description**

The project is designed to address migration flows from Georgia, Belarus, Moldova and Ukraine, all three of them being third countries. We decided to include Belarus, Ukraine, Moldova, Bulgaria and Greece in our project with the intention to share and build on existing experiences between countries of origin, transit and destination of human trafficking in the region of Eastern Europe. In choosing these countries, we obviously followed the “migration route” approach. The project intends to fight trafficking of human beings from third countries into the European.

Targeted groups: police border representatives and officers, governmental bodies, parliamentarians, lawyers, NGOs professionals and other civil society stakeholders (media, at-risk groups).

Involved partners : People Harmonious Development Society, La Strada Ukraine, La Strada Moldova, the A21 Campaign Greece

The activities planned are international seminar for best practices, Police Borders trainings, hotline trainings, regional dialogue roundtables + local workshops, innovative prevention in different language.

- **Requirements for the partner organisation you are looking for: 1**

paragraph/maximum 1 page (e.g. country, field of experience, role in the project)

Countries : Moldova, Belarus, Ukraine

Field of experience/role : Border Police trainings (we offer trainings, we need NGO to host the trainings in their countries), national referral mechanism for trafficking, lobbying to governments, regional dialogue and roundtables (liaise with and bring quality experts and participants), share best practices, contribute to design police border training materials, prevention materials
