Main challenges

- Working on rules and procedures
- Building up the platform
- Including more CSOs
- Strengthen capacities of NGOs in the field of development aid

Strategic aim

Discussions on Croatian foreign policy in terms of human rights

Main events planned for 2012

- Non-formal meetings with NGOs participating in the initiative of establishing the platform
- Public discussion on Croatian foreign policy with the MFA

Relationship with the MFA and other donors

In 2012 we have started to discuss more on financial models for development aid. The cooperation is in general good | However the department for development aid within the MFA is still underestimated and has also lack of capacities and funding from the State

Secretariat staff, board and members

No staff yet | 17 member organisations

Annual budget of the platform: sources of financing and main expenses

No sources for now | MFA has supported one meeting | No extra expenses at the moment

Involvement in CONCORD working groups

Enlargement | Pre-accession and Neighbourhood – EPAN

Successes of last year

- Establishment of initial communication with MFA
- Regular meetings with MFA on oversight of Croatian development aid distribution
