Successes of last year

Bigger interest of national NGOs in development cooperation issues

Main challenges

Finalising the platform structure

Annual Priorities

Capacity building of members, involving in EU and national decision making processes related to development cooperation

Main events planned for 2014

Public discussions on different development issues

Relationship with the MFA and other donors

The cooperation is in general good; however the department for development aid within the MFA is still underestimated and has also lack of capacities and funding.
