Successes of last year

- Increased membership
- Participation in development policy discussions on national and EU level
- Cooperation with new target groups and partners

Main challenges

Add communication officer to the full-time staff | Lack of experience and knowledge on PCD

Annual Priorities

Establishing AKÜ as a recognised and legitimate actor in development policy making and implementation | Coordinating global education and awareness raising activities in Estonia | Improving the cooperation between members.

Main events planned for 2014

World Day festival | Trainings for CSOs | Public lectures by development specialists

Relationship with the MFA and other donors

The relationship with the MFA and other donors has constantly improved and is quite strong. There is no concrete framework financing, but AKÜ has received budget support since 2008.
