A) > 50

B) > 100

C) > 150

Answers!

1B) 5 phases

2B) 441 – this is an indicative number of CSOs working in development in the region: in some countries the platforms gather almost all CSOs in this category, in others many CSOs engage in development but have not joined the platform

3A) Polish platform – Grupa Zagranica (61 members - smallest: Hungary 14 members)

4) Study Visit 2008 on expert sending: requested by partners to learn more about provision of experts; expertise of Advisory Group members AGEH, Bread for the World and HORIZONT3000 facilitated this trip. Due to several reasons not / rarely established by CSOs in EU13.

5C) Special conditions for DEAR projects of NMS (in 2006 10 Mio EUR earmarked for NMS CSOs)

6B) 2006 (altogether 5 in 2010, 2011, 2013 and 2015, between 100 and 150 participants)

7) Prague Conference 2008 “Are we on the right track” - international conference with exchange and discussion between “East” – “West” - “South” about paradigms in development cooperation; this conference was followed in 2010 by Nicaragua conference “**Global crossroads – Paradigm shifts: The role and perspectives of development CSOs**” in Nicaragua including field visits to development projects of HORIZONT3000

8A) Latvian (Board members in LAPAS proposed it and later engaged in campaigning and pushing for it)

9B) > 100 (including capacity building plans of each platforms (94), Training of Multipliers, Study Visits, Partnership Fair and more, > 2000 people involved)

Well done!
