## **TRIALOG Information Service (TIS)**

The TRIALOG Information Service (TIS) is addressed to NGOs and individuals who are interested in development issues in the context of EU enlargement.

Read the TIS online at: <http://www.trialog.or.at/tis>

### **Write your TIS contribution about development issues in the context of EU enlargement**

If you would like to contribute an article to the next TIS issue, please email to TRIALOG Information Officer Anita Bister: [a.bister@trialog.or.at](mailto:a.bister@trialog.or.at). We especially welcome articles from organisations and platforms in new EU member states and accession/candidate countries about their development cooperation/development education news.

### **Formal criteria for TIS articles**

Please:

- 🕒 write in a third person narrative
- 🕒 give a (short!) title
- 🕒 Length of the article: approx. 150-300 words (10 - 20 lines)
- 🕒 You have the possibility to attach longer documents, a few photos or to add weblinks in the end.
- 🕒 give short context information (e.g. name of the organizers of an event) since most of the readers don't know the context.
- 🕒 Indicate a name and email address whom to contact for further information.

The final editorial responsibility (on the newsletter content, shortening, editing articles) remains with TRIALOG.
